Getting *Started*

Hi, Maya — here's everything you need to make the most of your True Joy Birthing experience.

Quick Start

Create Your Birth Plan

STEP 1

Build a personalized plan that captures your preferences for labor, delivery, and postpartum care.

Start My Plan →

Find Your Birth Team

STEP 2

Search for experienced doulas, midwives and other birthing professionals in your area who align with your birth vision.

Browse Providers →

Share Your Plan

STEP 3

Once your birth plan is ready, share it with your doula, midwife, or hospital for seamless communication.
